Dear Joelle:

Thanks for the prompt follow up. I tried to report it on line however I could not find in the system. I will look for "other" and then type in tree. Thank you for working so hard to keep my Hollywood BID clean. Appreciate your dedication!

I am the supervisor for the West LA District. You could send the locations directly to me or through the myla311 app, just put other and you could type in tree. If you have any questions please feel free to contact me.
